

Programming for the 21st century classrooms

Future Classroom Scenario

Title of the scenario:

Introducing the future classroom at Vigernes school

Names of team members:

Grethe and Torgunn

Tools and Resources

What resources, particularly technologies, will be required?

PC, tablets, Smartboard, camera

Targeted grade levels

What is the minimum and maximum age of students that can be involved with this scenario ?

Teachers at Vigernes school

Learning Objectives, Skills and competencies

What are the main objectives?

What skills will the learner develop and demonstrate within the scenario? (e.g. 21st Century Skills).

Share our experiences from FCL.

Let the teachers get to learn new programs and tools they can use in teaching.

Learner's Role

What sort of activities will the learner be involved in?

See a film from our time at FCL.
Take a Mentimeter test.
Learn about Tynker.

Future Classroom Scenario Narrative

Describe in max 10 sentences the main ideas of the scenario.

Create dialogue about the theme of "future classrooms".
Motivate and share knowledge that we have acquired during our stay at FCL. Allow teachers to explore software and see how this can be integrated into teaching.
Check how often they use software in the classroom.

Outcome

Add the link to the video, drawing, photo collage or any other creative outcome you have created to explain your idea behind this learning scenario.
